Announcement

Pacific Coast Philology is now accepting submissions for the 2008 journal. Unlike our previous practice, we will review each submission as it comes in, instead of accumulating submissions and reviewing them together. This means that authors can expect to receive notice of acceptance or rejection within three months of submitting their essays. The journal has also opened a Pedagogy section, in which we will publish 1-3 articles in each issue (in addition to our usual 4-7 essays on scholarly subjects). Send all submissions and queries to: Prof. Victoria Myers, c/o Humanities Division, Pepperdine University, 24255 Pacific Coast Highway, Malibu, CA 90263-4425.
